

61 Culver Street Monterey NSW

5 3 2

This excellent family home is big on space and low on maintenance in a convenient location.

Features include five bedrooms (master with walk-in robe & ensuite plus fifth bedroom located on the ground floor), three bathrooms, separate lounge and dining, open plan family room with casual lounge and dining area adjoining the kitchen. Double garage plus separate workshop/studio (may suit home business).

We love the corner location and sun drenched north aspect within close proximity to local shops, beachfront and parks.
